

Uncover Inner Resources

The Enneagram & Inquiry

March 14 & 15 2025
Live Workshop on Zoom

With Renie Hope MA LMHC &
Sarah Dimock MA MEd LMHC

WHAT IS INQUIRY?

Inquiry is the name we use for a dynamic engagement with our experience that brings deeper insight and understanding of ourselves and ultimately of reality.

Engaging the practice of inquiry with our enneatype patterns reveals ways we can grow and develop into more of our true potential, rather than staying trapped in old familiar, fixated patterns.

Instructors

Renie Hope, MA, LMHC, specializes in helping her clients reclaim a sense of joy, passion and meaning in their lives. She has taught the Enneagram for over 35 years in business, university and personal growth settings and uses it extensively in her practice with individuals and couples. She has expertise in dream work, object-relations psychology and the expressive arts. She is a Certified Teacher of the Diamond Approach and has been a student of that work since 1988. In that context she's worked with the Enneagram's spiritual dimensions for many years, working directly with Sandra Maitri and A. H. Almaas.

Sarah Dimock, MA MEd LMHC is an Accredited Professional of the International Enneagram Association, a Certified Teacher with Enneagram Studies in the Narrative Tradition, and a student of The Diamond Approach to Inner Realization. She holds masters degrees in Education and Applied Behavioral Science and enjoys brining the Enneagram to teams and communities of all sorts. With over 20 years in private practice as a licensed mental health counselor in Washington, helping people align with their truth is a deep calling of hers.
