Vehicles need to be removed from these designated areas for snow plowing!

Reminder to keep your sidewalk area clear of snow and ice. Per local law it is the resident's responsibility to remove snow, ice, dirt or other obstruction from the sidewalk sufficiently to create a safe pedestrian path.

The Highway Department will snow blow Main Street sidewalks from East to West on both sides of the street as a courtesy.

Reminder: Cutoff date for fertilizing lawns is December 1, 2017. It is against NYS law to fertilize lawns between December 1 and April 1. Visit DEC's [Lawn Fertilizer webpage](#) for more information. The law does not apply to agricultural fertilizer or fertilizer for gardens. Lawn fertilizer can have unnecessary phosphorus that runs into waterbodies. Excess phosphorus in freshwater lakes and ponds can cause algae overgrowth, with serious impacts to the environment and public health.

Please bring in your trash cans and recycle bins on the same days as pick up. Remember to periodically wash your trash cans and recycle bins to reduce bugs and odors.

Electronic Waste is not picked up at the curb, you can drop it off behind the Village Garage Monday-Friday between 7AM – 3PM. Old TVs with CRT tubes are not accepted. Items with Freon also cannot be accepted.
