

Burns Lake Airsoft Field Rules

Field Rules

1. **Safety is the first priority.** Do whatever you can to protect your fellow players and yourself
2. Barrel covers on and magazines out in the safety area (MASH)
3. Biodegradable BBs only. Absolutely no plastic BBs allowed on this field
4. Players over 18 must sign a waiver. Players under 18 require a parent or guardian to sign
5. Field boundaries are marked in yellow flagging tape. Stay within the boundaries
6. No recreational drugs or alcohol on the field
7. Unsafe players and/or equipment are not allowed
8. Cheaters and bullies will be warned. If their behavior does not improve, they may be banned
9. Pets are not allowed on the field during games. Keep them on a leash and clean up after them!
10. Smoking is only allowed in designated areas. During fire bans make sure your butts are out

Game Safety

11. Eye protection must be worn at all times on the field and at the shooting range!
12. In the event of an emergency (injury, fire, wildlife) warn a referee immediately
13. Referee decisions are final, if you don't agree do not argue during the game
14. 1 Horn = Start • 2 Horns = Game Over • 3 Horns = Emergency! Find a ref or return to a safety area
15. No Overfiring. Keep to Semi Auto or Burst fire unless the game scenario allows for more
16. Avoid close range shooting. Please keep it to 10ft or more when possible!
(Allow opponent to call mercy if its 10 ft or closer)
17. If you are hit, raise your hands (and gun) high and walk off. Call "Hit!" loudly and clearly
18. Dead players tell no tales. If you're hit, head back to your spawn or off the field
19. No blind firing. If you don't know where your rounds are going, hold your fire
20. Do not shoot at the wildlife. Bambi and Yogi won't like it and you will be banned
21. No Jumping or climbing over fortifications or cover!

Airsoft Guns, Gear & Grenades

22. Airsoft guns are required to pass a chronograph test to ensure they are within FPS limits
Minimum = 366 FPS with a 0.20g BB | Maximum = 500 FPS AND 5.7 joules
23. No completely translucent shields. (Ask referee for clarification)
24. Please check with a referee prior to using any chalk, frag, or smoke grenades on the field
25. During Fire Bans all pyrotechnics, including smoke grenades, are prohibited
