## From My Heart...

It always gives me great joy to acknowledge and declare, without hesitation, that Lighthouse Christian Camp is a supernatural work of the Lord!!

To God be the glory as He worked in magnificent ways throughout the summer to bring hope, purpose and direction in the lives of precious children in need!! Hundreds of children this summer came to a saving knowledge in a personal relationship with the Lord Jesus Christ!! Praise His Holy Name!!

God did a magnificent work in the lives of counselors, volunteers and all of us on staff! He always has the master plan far exceeding our greatest expectations!!

It is our prayer that you come alongside us in following God's plan to minister to the poor and needy, the widow and the orphan and those helpless to help themselves!!

Ermeda & Ben Chapman

Blessings in His Love,

## A Vision to Complete

*The catch-out pond prior to restart of the project.*

Seven years ago God placed a project on Bro. Ben's heart that when completed, would bring great joy to the lives of children that have been emotionally impacted by traumatic events.

Long hours were invested by Bro. Ben in dozing out a deep fish pond on the campus. The plan was to stock the pond with fish and children with special needs would experience easily catching fish from the pond.

Unfortunately over these seven years since it was constructed the pond has leaked and would not hold water to full capacity. It therefore, could not be stocked with fish and the project was put on hold while we planned the next steps.

As the project resumes, water has been pumped from the pond and it is now being cleaned of accumulated silt. The plan is to place a liner in the pond along with a coating of clay. The liner, clay and equipment use will cost in the thousands of dollars. A small grant has been received to help complete this project, but several thousand more dollars are needed.

If you would like to participate in seeing this project completed, it would be a great blessing. Please designate your gift for the Fish Pond.

*Drained and ready to start repairs.*

# God's Provisions

Over the years we have had our share of hardships but God has always provided as we turn to Him. As the clock ticked down to the start of camp we were once again reminded that our plans are not always His plans.

Kyle and Courtney Wolverton, our camp directors who had been here just 3 months, abruptly announced that they were being called elsewhere and were leaving. Their announcement was delivered just 2 hours before the start of summer staff training and needless to say, we were stunned. All of our plans for leadership went out the window. As we struggled to figure out what to do, we could only turn to God.

As we began staff training that evening we knew we had no choice but to announce the Wolverton's departure. "We can't explain it", we told the staff, "but who are we to question God".

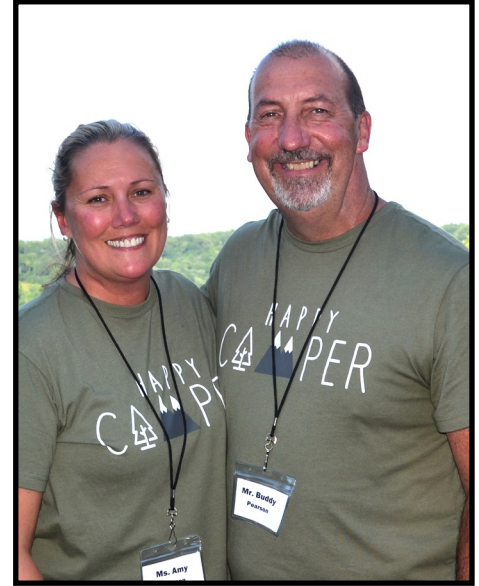

We continued on with a time of introductions of all of the camp residents, staff and family members. One of those being introduced was Buddy Pearson, the husband of camp Community Outreach Coordinator, Amy. Afterwards we took a short break and the Pearsons headed out to return to their home in Cookeville as planned. "Before we could even get to the entrance gate" Buddy later related, "I began to weep as God told me that he wanted Amy and I to apply to fill the new vacancy left by the Wolvertons". The Pearsons immediately returned to the training group where we had begun our evening worship. Even with the earlier bad news, the spirit of God was so strong and sweet that evening.

At the end of the evening as everyone left, the Pearsons approached Executive Director, Michael Kilgore and Buddy abruptly asked "so, what do I need to do to apply for the Camp Director position?" Michael was at first taken aback. Buddy had a great job at TN Tech as their Communications Director. Without even thinking he responded, "Buddy you don't want to do this". But Buddy was adamant! Michael and the Pearsons went and sat in a nearby Gazebo in the dark of night and talked about camp, the open position and how Buddy and Amy felt God was leading them. For some time, the couple had been questioning God's plan for their lives. Buddy had been ordained into ministry in the spring of 2020. He continued to work at TN Tech and began to preach at the Cookeville Rescue Mission and at local churches whenever opportunities arose. They put their home up for sale in May so that they could be ready to go whenever God called. The home sold the first day and the couple made plans for temporary housing as they waited on God. And now... He had spoken.

After a lengthy discussion and prayer it was agreed that Buddy would take some available time off work, attend the rest of staff training and serve as an interim camp director for the first few weeks of camp to see how things would go.

There was never a doubt for Buddy and Amy as they immediately fell in love with the children, counselors, volunteers and everything at camp. They were thrilled to finally be fulfilling their dream of serving in ministry together. By the end of the second week it was evident that the Pearsons had been called. At the Thursday night campfire, with leaderships blessing, all of the counselors gathered together and made the offer to the Pearsons to join camp in full-time ministry. With great emotion, they accepted! Praise the Lord!

Buddy and Amy have now settled in and made Camp I their home. After summer staff training and 7 weeks of camp, they are excited to see the discipleship process of campers begin.

# Summer Camp

We are so grateful to God for blessing us with the highest camp attendance we've seen since 2012. 735 boys and girls came to camp this year. Almost 400 attended for the very first time.

# Summer Camp

2021

## 2021 Summer Staff Answering the Call

In preparation for summer camp we search all over the state for potential candidates to serve as summer staff counselors. It's never easy finding Christian men and women who have the calling, time and spiritual strength to fill these positions.

It requires the availability and commitment to a week of staff training as well as 3-7 weeks of being at camp 24 hours a day Monday thru Friday. The hours are long... and the days and nights are filled with emotional and spiritual highs and lows as we wait and watch as God moves on the hearts of the children. The pay (in money) is minimum. In fact each of our summer staff is responsible for attempting to raise their own support. Yet they come and they serve. Why?

Once you've met and spoken with any of these men and women who have successfully served as summer staff at Lighthouse you'll quickly agree that they were called by God to do so.

We praise the Lord for the faithfulness of the 2021 Lighthouse Christian Camp Summer Staff!

## Volunteers

As wonderful as our summer staff is, they could never do it alone. Without the God-called volunteers who come it would be impossible. We were blessed again this year with a large number who came and served in various positions. From the SOWERS and RV'ers who came for weeks at a time, to the man who felt led to come and mow every weekend, the boat drivers, cooks, servers, county coordinators, van and bus drivers and more. These men and women were a blessing to us and to the children, and we know they were blessed in return.

Special thanks to those who came and served as counselors in cabins with the staff and campers. Your week away from your families and jobs made a unique impact on the staff and children as they saw Christ living thru you.

# Popular Ministries Return to Camp for Second Year

## WORLD CHRISTIAN TAE KWON DO MISSION

Ashley and Courtney Baron returned to volunteer once again teaching their program of Christ-centered Tae Kwon Do.

Each Tuesday evening throughout the summer, mom Brenda, brought the girls from their home in Cookeville to serve the camp children in this special ministry.

The twins, who are third degree black belts, once again provided a summer of sweat filled learning, laughter and fun as they taught the campers self discipline, self defense and selflessness thru Christ.

## Mini Creek Farms

Michelina Jordan and her non-profit equine therapy organization, "Mini Creek Farms" were a great blessing to us all again this year. Michelina and her animals were a favorite among many of the children as they were able to experience the petting zoo, riding and even shooting bow and arrows from horseback.

If you'd like more information on how you can support Michelina and this wonderful non-profit ministry visit her Facebook page at

<https://www.facebook.com/MiniCreekFarms>.

# What Happens Now?

We are grateful to God for the children He sent to camp this year. While here they experienced devotions at each activity, prayed before every meal, attended chapel twice a day, learned bible verses and had nightly devotions before bed. These children spent a week at Lighthouse Christian Camp immersed in God's word and covered by the prayers of numerous people of God around the country.

We rejoice that many came under conviction and called upon the Lord for forgiveness and made the decision for salvation.

A multitude of others rededicated their lives.

So.... what happens now? It's simply not enough to bring these children to camp once a year and then have them return to the same old lives where often they're unchurched, rarely study God's word and have little interaction with Christians. God expects us to do more! He expects us to disciple them, to help them mature in their faith, get plugged into a church and to teach them how to live a successful, joyous life in Christ.

Jesus tells us in Matthew 28:19-20 "Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, **teaching them** to observe all things that I have commanded you". We are to teach.... and disciple!

We strive to minister to and disciple the children God brings to us, not only during the summer, but year-round. We do this in many ways. Below are just a few.

## Weekend Retreats

These "mini-camps" are held every other weekend for most of the year from 6:00 PM on Friday through noon on Saturday. While here the children reconnect with staff and volunteers they met during the summer. They eat healthy meals, attend worship and chapel, participate in fantastic activities and once again experience the love of Christians who care about their relationship with our Father. **WE NEED YOUR HELP!** Without volunteers to help with the children at these retreats, we can only disciple a hand full at a time. A commitment of just 18 hours (6:00PM Friday-Noon on Saturday) can make a world of difference to these children. For more information contact the camp office.

## After-School-Club Program

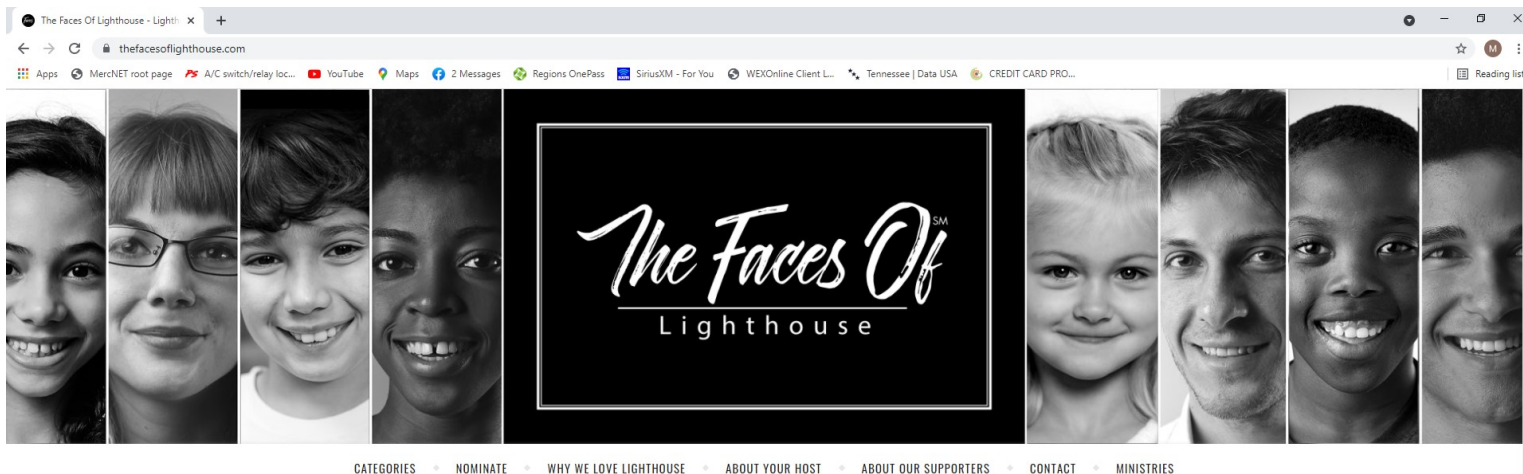

Every Tuesday afternoon, when schools are in session, Lighthouse buses and vans travel to Dekalb County schools to pick up children enrolled in our After-School-Club discipleship program. These children, who have all previously attended camp range in ages from 9 to 17. While at camp, they eat a nutritious hot meal, get help with their homework, participate in a short bible study, worship and chapel and get to have fun interacting with other campers, staff and volunteers from the summer. Shortly after 5:00 PM we take the children to a central meeting place at one of the schools where their parent or guardian picks them up. **WE NEED YOUR HELP!** If you would like to assist on a Tuesday afternoon from 2-5, please call us.

*Unfortunately, due to time and distance we are not able to offer this program in the other counties we serve. If you would like information and/or assistance in starting an After-School-Club Program in your area please contact us.*

There are other discipleship opportunities throughout the year including our C.A.T.C.H Fishing Event, annual Christmas Parties and more. To find out how you can get involved please contact us today.

We are so excited to announce a new online page for the ministries of Lighthouse Christian Camp. “The Faces of Lighthouse” is an idea brought to us by one of our RV volunteers, Ann Tanner who works with Real Estate professionals who use the platform to promote their business and community.

The thought behind the platform for us is to have a site dedicated to “the people” behind Lighthouse Christian Camp Ministries. A place where we can tell the stories of each person, how they were introduced to Lighthouse, what their current involvement is and what they love most about the ministries here.

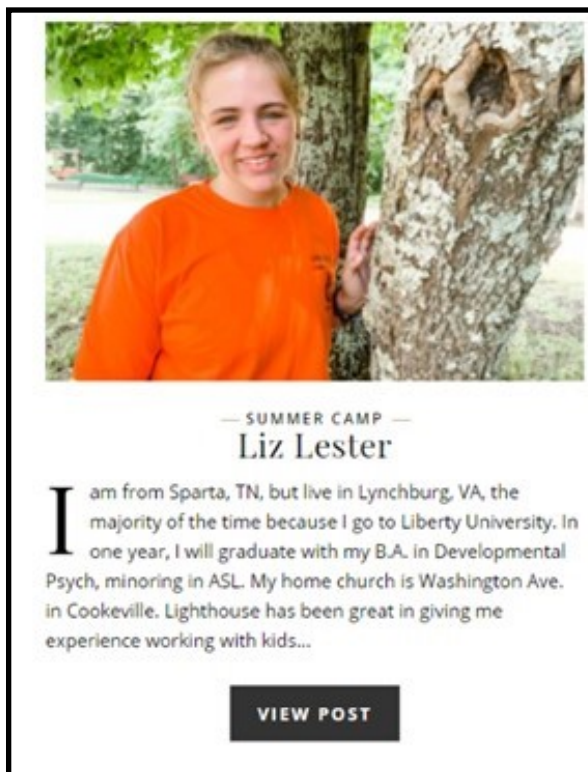

Lighthouse Ranch houseparent Tami Recke, loved the idea and jumped in with both feet to help put together content and layout and the site quickly developed.

At “TheFacesofLighthouse.com” you can learn how God has called people, from all walks of life, to get involved and support His ministries here. These “faces” are prayer warriors and financial supporters. They drive vans and buses to transport children, volunteer as counselors in cabins, serve in the kitchen, perform maintenance, volunteer at Christmas Parties, Weekend Retreats and After-School Clubs.

We pray you will visit the site [www.thefacesoflighthouse.com](http://www.thefacesoflighthouse.com) today and that you are truly blessed by the stories you read.

If you are connected with our ministries in any way, we pray that you will submit your own story so that others around the world can see how God is using you and hundreds of others to make an impact for His kingdom. To submit a story go to <https://www.thefacesoflighthouse.com/interview/>. When the page opens you will enter password: “TFOinterview”. Your completed submission will be directed to the site administrator who will review all posts before publishing.

And as always you can get camp information from our main website [www.lighthousechristiancamp.com](http://www.lighthousechristiancamp.com)

# From Our Foster Homes

## The Reckes

Tom and Tammy Recke have finished foster care training, the home study is complete and they are now ready to take in children. While most foster homes get immediate placements of one to two children, our ranch homes are entirely different. With our ability to accommodate large sibling groups we are generally not considered for individual/small group placements. Instead TN Baptist Children's

Homes, who administrate our cases, reserve our homes for those siblings who would have to be split up were our homes not available. This can be difficult for our families as they wait for God to send these larger groups in need our way.

In the waiting the Reckes have not been sitting idle. Although Tom continues to work and build his home inspection business, he has taken every Wednesday off during camp to fill the need of boat driver for our pontoon activities. Tom also volunteers and delivers meals on Thursday mornings for the local food pantry. Tami has busied herself with setting up and managing our ministries new "TheFacesofLighthouse" pages as well as helping in the kitchen and dining hall throughout the summer. The Reckes children are also greatly involved in the ministries here with both Peter and Emme serving as counselors and support staff throughout the summer and Peter performing maintenance at all other times.

## The Harringtons

Jason and Amy Harrington had another eventful and busy summer. In the mist of awaiting new placements for their home the Harringtons stood in the gap and served in many capacities. From daily camp maintenance, preparation for summer, fundraising, recruitment of staff and even taking on the huge responsibility of serving as camp directors again this summer. What a blessing this couple and family has been!

The Harringtons were themselves greatly blessed again this summer to have many of their children serving alongside of them as counselors and support staff for camp. With mixed emotions Jason and Amy will watch as two of their children go off to college and one begins his senior year in high school.

No worries of boredom however as the Harringtons were recently blessed with the placement of a young sibling group of four.

# NEWS FROM OUR WIDOWS

Our residents from Sing for Joy were once again used mightily by God this summer. The vision for the Sing For Joy ministry was lived out through these ladies as they served the children, staff, volunteers and others throughout the summer. From assisting in the kitchen and dining hall, laundry duty, helping one on one with campers and much, much more, these ladies did an outstanding job. Their love for the children and for our Lord was evident in all things. We praise the Lord for these ladies and for the Sing for Joy ministry and are excited about how they will be greatly involved in our upcoming after-school-club, weekend retreats and other discipleship programs.

**email [mkilgore@lighthousechristiancamp.com](mailto:mkilgore@lighthousechristiancamp.com)**

**GIVE A SPECIAL GIFT THROUGH LIGHTHOUSE CHRISTIAN CAMP MINISTRIES!**

The ministries of Lighthouse Christian Camp, Sing for Joy Widows' Home and Lighthouse Boys' & Girls' Ranch Homes are totally dependent on the monthly and special gifts of our supporters. Many times these gifts are given under special circumstances such as these listed below. If you'd like to know more about how you can give in one of these special areas, please contact the camp office at (615) 597-1264.

**IN MEMORY AND IN HONOR GIFTS**

Celebrate the memory of or honor a loved one by giving a "Gift That Lives On" through the lives of the children who come to camp and/or reside at the Boys' & Girls' Ranch and/or Sing For Joy Widows' Homes.

**ENDOWMENT FUNDS**

There are currently (3) three Endowment Funds which have been established for Lighthouse Christian Camp. Contributions to these funds are invested and the interest and/or income from these funds is used to provide ongoing funding for the camp's operations.

**PLANNED GIVING**

Leave a lasting legacy through estate and tax planning techniques to provide for our ministries in ways that maximize your gift and/or minimize impact on your estate.

**CAMP SPONSORSHIP (180 for 180)**

Turn a life around by sponsoring a week of summer camp for an under-resourced child. Just \$180 can make an eternity of difference as children hear and learn of the saving grace of the Gospel of Jesus Christ. They'll get to swim, ride horses, go out on the lake on pontoon boat rides, hike, and much more.
