

Consultant (Mid-Level / Client-Facing)

Overview:

This is a core delivery role for mid-level professionals who are ready to take ownership of client workstreams. Consultants lead structured advisory tasks across legal-adjacent strategy, compliance, transformation, and federal readiness — with direct exposure to executives, boards, and agency partners.

Responsibilities:

- Manage client-facing workstreams tied to audit prep, litigation exposure, SBA alignment, or operational recovery
- Draft strategic memos, compliance tools, and reporting frameworks
- Facilitate client check-ins, briefings, and task force meetings
- Track deliverables and support internal cross-functional collaboration

Ideal Background:

- 2–5 years of experience in consulting, compliance, federal strategy, or legal operations
- Demonstrated ability to manage deadlines, write clearly, and lead structured projects
- Familiarity with advisory environments involving tax, risk, or capital-sensitive decisions

Annual Compensation Range:

\$78,000 – \$92,000 (DOE)

Includes:

- Lead ownership of project deliverables and advisory scopes
- Quarterly bonus eligibility (up to 15%)
- Professional development fund for certifications and licensure
- Hybrid/remote structure and client leadership exposure
