

Future for Iringa Street Children

The sun has risen and the Son has risen! The weather is beautiful isn't it? It's probably not quite as hot as Tanzania though! The seasons come and go, always changing, yet always the same. Now is the time to enjoy the great outdoors, Creation in all it's beauty and splendour, as God intended it to be. Enjoy!

FISCH Church

The church is continuing to enjoy regular numbers of attendees who come to worship, praise and learn about God every Sunday. Recently numbers have been recorded at around 40 people and above! The church have also welcomed some guest speakers recently.

Saturday Club

This club is held at the Drop-in-Centre every Saturday and is open to all children. Various games are played including football, volleyball, skipping, card games, hopscotch and many others. The number of children recently attending has been around 48. The team also run a Bible study, and Erasto recently gave a lesson to the children about being kind to others. The children learnt about helping each other regardless of their differences, as no one knows what tomorrow will bring. That's probably a lesson we could all learn from.
