

Future for Iringa Street Children

Welcome to the combine June / July edition of FISCH Bites, and Happy Father's Day! We apologise for the lateness of this edition. Lots of great things have been happening at FISCH, with even more to come. As always, our Heavenly Father has been providing for all His children. Amen!

Trip 2012

This August a team of volunteers are heading out to Iringa to spend time with the FISCH staff and kids. The most exciting aspect of this visit is the FISCH Olympics which we will be running for the street kids, with events such as sack race, shot put, 100m sprint, football and basketball, and more.

Please pray that the team will be a blessing to both children and staff in Iringa, and for safe travels.

If you would like to donate items, awards or money towards this event, please email FISCH at the address to the right.

SawaSawa Ammendments

Apologies! In the May Bites we said that the FISCH Street Stars were performing alongside a band called Sowa Sowa. Well actually the band is **SawaSawa Afro Band**, a band comprising of our very own FISCH kids! Well done to them!

Website

The new website has been launched!

www.gofisch.org

This site is still under construction but it is coming along well. Please tell a friend or feature the website link in your facebook or twitter statement as FISCH relies on word of mouth for support!
