## INTRO

On the day of our shoot, you will likely laugh so hard at our awkward goofiness that you want to be best friends forever. Which is awesome.

But, until that day comes, you'll have this straight-to-the-point pricing guide.

It has a whole lot of helpful information but is honestly kind of boring to read. It also doesn't include the fact that we have payment plans! Well, I guess it does now if you're reading this.

But really, we are so excited you are considering us. We cannot wait to make some amazing memories with you.
