

## LOCATIONS MAP

Visit each location shown (1-10). Look for the Great September Search posters. Note down the word on them. Posters will all be clearly visible from the street/pavement, and should be left in place for others to find too!

Why not write your words in here as you find them:

1.	2.	3.	4.	5.
6.	7.	8.	9.	10.
