| Sampling media  | Description  | COST / unit | COST / box   | QUANTITY      |
|---|--|-------------|--------------|---------------|
| PVC AIR CASSETTE (Pre-weighed)                                | 37mm PVC cassette, banded  | \$ 4.00     | -            |               |
| PVC AIR CASSETTE (Pre-loaded)                                 | 37mm PVC cassette, banded  | \$ 3.00     | \$ 95.00     |               |
| MCE AIR CASSETTE (Pre-loaded)                                 | Cassette, 37mm, 3pc, 0.8um MCE   | \$ 1.50     | \$ 70.00     |               |
| MCE CASSETTE for PCM  | Cassette, 25mm, 0.8um MCE  | \$ 1.00     | \$ 32.00     |               |
| Mold / Fungi (Air sampling)                                   | Air-O-Cell cassette  | \$ 4.00     | \$ 190.00    |               |
| Mold / Fungi (Surface sampling)                               | Tape lifts kit with 5 slides   | \$ 2.00     | -            |               |
| Tedlar Gas bag (Zefon)  | 5 Liter Tedlar® Bag with ZP Valve  | \$ 20.00    | -            |               |
| Inner Wall sampling tubing                                    | Air-o-cell inner wall sampling tubing + adapter                            | \$ 5.00     | -            |               |
| Parallel Particle Impactor (PPI)                              | Plastic, single-use disposable, for respirable sampling at 2, 4 or 8 L/min | \$ 33.00    | -            |               |
| PCB Kit   | sterile gauze with acetone vial  | \$ 5.00     | -            |               |
| Sampling Equipment  | HAL ID   | COST        |              |               |
| Gilian Gilair-3   | 1215, 1216, 1269, 1270, 1287, 1328, 1329, 1330, 1331, 1332                 | \$18 / day  | \$50 / week  | \$125 / month |
| Gilian Gilair-5   | 1246, 1249   | \$18 / day  | \$50 / week  | \$125 / month |
| Gilian Gilair-10  | 1288, 1289   | \$18 / day  | \$50 / week  | \$125 / month |
| Multi-Flow (Low Flow Module)                                  | 1257, 1271, 1272, 1273   | No charge   |              |               |
| Zefon Bio-Pump with TSI                                       | 1213 / 1211  | \$35 / day  | \$100 / week | \$250 / month |
| EMS High Volum Pump   | 1132   | \$35 / day  | \$100 / week | \$250 / month |
| Drager Accuro Pump  | 1219   | \$15 / day  | \$45 / week  | \$135 / month |
| SKC Aluminum / Nylon cyclones                                 | AC: 1,2,3,4,5,6      NC: 1,2,3,4,5,6                                       | \$10 / day  | \$30 / week  | \$90 / month  |
| Calibration jar for nylon cyclone                             | 1282   | No charge   |              |               |
| Calibration chamber for alumin. Cycl                          | CC1, CC2   | No charge   |              |               |
| Calibration adapter for PPI                                   |  | No charge   |              |               |
| Rotameter / Flow meter  | 1-4 LPM: 1188, 1189, 1321<br>2-20 LPM: 1157                                | \$10 / day  | \$30 / week  | \$90 / month  |
| Cassette Filter Holders                                       |  | No charge   |              |               |
| Water Proof Portable Meter<br>pH, conductivity, TDS, Salinity | 1241 / 1242 / 1243 / 1244  | \$10 / day  | \$30 / week  | \$90 / month  |
