

MEET THE TEACHER

Room 3

Hi, My name is Erica. I have been with Tiny Steps for 2 years. I have been in child care for 4 years. I moved here from New Jersey at a very young age and have lived in Florida ever since. I have a son, he is 7 years old and I love spending all my time with him and watching him grow and learn. I look forward to taking care of your babies as if they were my own.
