

# Floating Teacher

My name is Sarabine Milien, but everyone knows me by Sara. I have been a floater for Tiny Steps for about one year and half but working in childcare for about two years now. I am deeply passionate about working with children of all ages. I love all the adventures, exploring, learning and fun we get to have.

I have my associate degree and is currently pursuing my bachelor's degree in social work at Florida A&M University.

I was born in Haiti but raised in Fort Lauderdale Florida. I love south Florida mainly for the beautiful beaches, restaurants and malls.
