Following similar moves by other major cruise lines, **Carnival Cruise Line** is set to raise gratuity rates as well as Wi-Fi rates in the coming weeks. Guests who pre-pay for these charges can still take advantage of lower rates for these significant increases.

Carnival Gratuity Rates Increasing

Gratuities, the service charges that go to reward hard-working crew members, including dining staff and stateroom attendants, are being increased for all stateroom categories effective from April 1, 2023

For all embarkations on or after that date, the rate for standard staterooms – interior cabins, ocean views, and balconies – will be \$16 per guest, per day, up from \$14.50, an increase of roughly 10% per day.

Suite guests will begin paying \$18 per guest, per day, instead of the current rate of \$16.50, an increase of 9%. Carnival Cruise Line **last raised gratuity rates in May 2022**, making this adjustment the second increase in less than one year.

Royal Caribbean wants to raise cruise prices even higher

IN: Prices

Royal Caribbean's cruise prices are higher today than in 2019, and the company wants to raise those prices even more.

Historically, cruise vacations have, in addition to their convenience, been popular because of their value. For one price, you get unlimited food, accommodations, entertainment, and transportation between destinations across the world.

This price gap between the cost of a cruise vacation and a land vacation grew significantly during the cruise industry shutdown. Since then, cruise fare prices on Royal Caribbean have gone up at the same time demand was also rising.

The Benefits

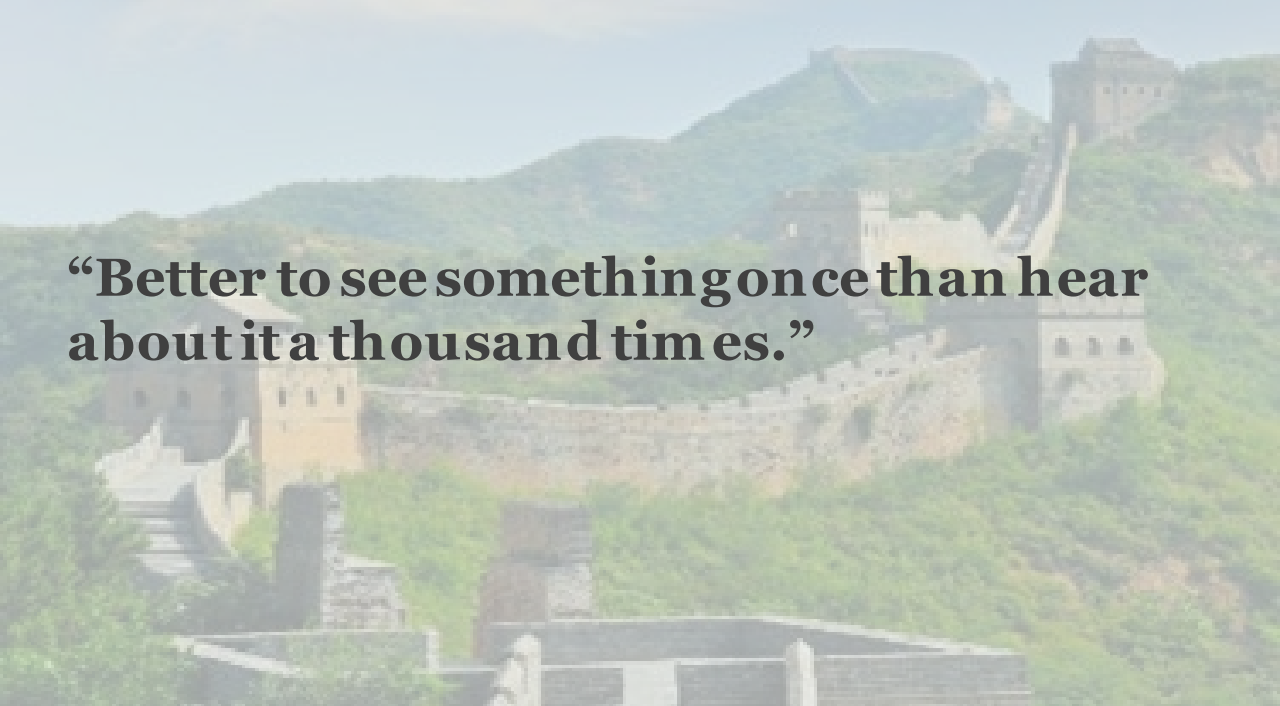

- The cruise lines want to pass these price increases on to their customers.
- We've negotiated on behalf of our clients to avoid these major increases.
- For a one-time fee of \$297 plus processing for a total of \$315 we will guarantee your cruise package with no additional fees.
- At the time of booking, **YOU WILL NOT** have to pay **ANY** price increases imposed by the cruise lines.
- This price not only guarantees your cruise price but also entitles you to the 4 vacation packages we've been discussing for the next 5 years through December of 2028!
- This package has a retail value of over **\$18,000** and you're getting it all for **\$315**.
- You will receive 2 7-night resort packages plus 2 mini bonuses each year through 2028 for only a \$99 maintenance fee starting in November 2025. (Billed 11/1/2024)
- All packages are transferable to friends, family or even donate it to your favorite charity.
