First Option:

Total Cost:	**$22,990**
1st Initial Down Payment:	$3,990
2nd Down Payment:	$4,000
Monthly Payment: 15 Months Payment Plan	$1,000

All down payment must be paid at least a month prior to the start date of the VN program.
First payment is due in the first week from the start date and every month thereafter. For example, if the program start date is 06/01/2026, all down payment must be paid by 05/01/2026, then the first monthly would need to be paid by 06/05/2026 and the monthly due date thereafter would be the 5th of the following months until fully paid.

The remaining balance after down payment is small enough for a personal loan if you qualify. If interested in a personal loan you can visit the website below for more information and a quick check if you will qualify with no impact on your credit score.
