

MICHAEL'S BROMELIADS Collection List

Welcome to Our Collection, a complete listing of the thousands of Bromeliad varieties we offer for sale. You may order from this list by direct email. Many of these plants will also be available at our shop online site as we develop that new part of our website. We are experienced exporters and have been shipping quality plants worldwide for over 30 years. Please contact us by e-mail with any questions you may have, or to check plant availability and shipping costs. We ship bare root only and use Priority and Priority Express Mail Services. Thank you for visiting our site and we'll look forward to hearing from you.
