STUDENT FLIGHT ASSIGNMENT SHEET

School Name: _____

Grade: 5

Classroom Teacher: _____

Flight teams and activities are structured for students to learn the importance of working together to achieve common goals. We recommend class sizes of no more than 28 students per class (minimum of 20 students required). Please use this template to create an effective seating chart for your students while at Starbase. Please indicate whether the student is Male or Female, and check, as appropriate, if the student is ESE or ESOL. STARBASE reserves the right to modify the number of children in each group and class, depending upon class size. This information must be electronically completed and received **two (2) weeks** prior to your Starbase visit. Flight assignment sheets may be emailed to sb.florida@dodstarbase.org Should you have any questions or concerns you may contact us at (904) 741-7320.

Please assign your students to one of the following flight teams.
