Re: General Request

Date: _____

Please forward the following information to me as soon as possible. Also, please keep a copy of this request as it can be used for your monthly report.

LAND – OUR LAND IS OUR TERRITORY. It is not just where we live, and farm, and work, but it is who we are. Without it we have no past and no future, no Indian way of life today. Our conflicts and our troubles have always been about the land...
