Rock Slide in Little People's Canyon

(Mission Canyon)

The FBIC Transportation Department is responding to a recent rock slide in Little People's Canyon. An inspector will be on-site Tuesday, July 22, 2025, to assess the situation and determine necessary safety measures.

Please be advised that travel through the canyon is currently **at your own risk**. We urge all travelers to exercise extreme caution.

We appreciate your patience and understanding as we work to ensure public safety. For further information or questions, please contact the FBIC Transportation Department at **(406) 353-2447**.
