RE: POSTPONEMENT OF NON-ESSENTIAL CONTRACTS AND/OR SERVICES

The Fort Belknap Indian Community Council passed FBIC Resolution No. 55-2020 which declares a State of Emergency due to the extremely severe conditions of the Covid-19 Coronavirus pandemic and its impacts.

For the health, security and welfare of the Fort Belknap Indian Community and the general public, *any and all non-essential* contracts, agreements and/or services of vendors with intentions of physically exercising their services within the exterior boundaries of the Fort Belknap Indian Reservation are hereby postponed immediately until further notice. Any and all programs, departments and/or other entities should immediately contact any active affiliates to inform them and to make arrangements for any monetary obligations and/or commitments.

However, *essential suppliers* who deliver services for mail, utilities, medical supplies, food and/or other classified emergent products are exempt from this action of postponement but are instructed to provide from your company's administration and/or human resources department that all precautionary measures such as health screenings, CDC's mandated practices and etc. have been provided and are being exercised as a delivery entity.

All suppliers are to contact the Fort Belknap TERO Office at (406)353-8454 or (406)399-1438 or by email at nboushie@ftbelknap.org or alicia.shields@ftbelknap.org with notification of delivery services during this time to Fort Belknap or for verification of what is being requested.

Your utmost cooperation in this matter is greatly appreciated and should you have any questions and/or concerns, please feel free to contact our office.

Respectfully,

Nancy K. Boushie, Director
