

April 7, 2026

Draft Format: mixed order where every person has at least the first pick in every round.

Rules:

1. **6:00 – 6:30P** is the **Trade Window**, this is the only time trades can be made. So, in other words, trades must be declared before your first pick and it's for all your picks – For example - trade all your picks for all of their picks. All trades must be declared with Pittsburgh's DSEN Draft Commissioner – Francine Cameron.
2. There will be five rounds in the draft;
 - a. Round 1 is at **6:30P**
 - b. Round 2 & 3 is at **7:00P**
 - c. Round 3 & 4 is at **8:00P**
3. Use the **“Pittsburgh's DSEN Pittsburgh Public Golf Course Draft List – April 7, 2026”** to draft your golf courses.
4. Follow the Draft Order sent – it's also on the Draft Board (sheet);
5. Each person will have 1 minute on the clock and 1 minute to give information on the course selected to draft. Some talking points that I suggest are: Course Distance, forgiveness, maintenance, greens, golf range, customer service, rates, clubhouse, and other amenities.

Draft Awards: Three Judges will determine winners.

1. Best Pittsburgh public golf course selected – **Round 1**
2. Best Pittsburgh public golf course selected – **Round 2**
3. Best Pittsburgh public golf course selected – **Round 3**
4. Best Pittsburgh public golf course selected – **Round 4**
