Exhibit B Threshold Requirements and Other Submission Requirements

Meeker Industrial Authority a public trust for the Town of Meeker

Meeker PRO Housing Grant Project

Documentation submitted to the PRO Housing Committee by Five Tool Management on behalf of the Town of Meeker – considered original content for the sole purpose of compliance with the NOFO grant application.

Threshold Requirements and Other Submission Requirements

The Applicant, the Meeker Industrial Authority, has **no** outstanding statutory and regulatory requirements affecting eligibility or other submission requirements. This includes and is not limited to resolving civil rights matters or submitting the timely application as identified within the Notice of Funding Opportunity (NOFO). Therefore, the Meeker Industrial Authority, a public trust, for the Town of Meeker – Meeker PRO Housing Grant Application should be deemed eligible to apply for, ranked by the committee, and receive funding from the HUD PRO Housing Grant.

The Town of Meeker has recently established the Meeker Industrial Authority, a Trust Indenture established by the Town of Meeker Board members to buy, sell, and rent real estate property for the public purposes set forth under the provision of Title 60, Oklahoma Statutes, 2011, Section 176 to 180.4, inclusive, the Oklahoma Trust Act and other applicable statutes of the State of Oklahoma. The Town of Meeker is the beneficiary of the Meeker Industrial Authority. The Meeker Industrial Authority is fully prepared to utilize the PRO Housing Grant to remove barriers and provide pathways to homeownership. Income from the PRO Housing activities will be dedicated to future community development activities for the Town of Meeker. This readiness should reassure the committee about effectively using the HUD Community Planning and Development funding.
