

## NP/PA – Family Medicine

At our Primary Care and Urgent Care office, we are looking to add a full-time Physician Assistant or Nurse Practitioner to our practice. The right candidate should identify as a caring professional able to coordinate preventative services, disease management, and patient education. Candidates should be comfortable working within a multilevel care team, but also feel confident with independent practice. While experience is helpful, we are confident that we can train new professionals to the exacting standards to which we hold our providers.

This is an amazing chance to create long-lasting relationships with your patients, as well as establish your home in the beautiful Texas Hill country. Nestled along the Guadalupe River, there are countless recreations to explore including outdoor-adventure hobbies such fishing, hiking, biking, and kayaking to visiting over 100 wineries within a 30-minute drive. Less than an hour from San Antonio, Kerrville offers a distinct small-town experience with easy access to big-town amenities.

The position is 5 days per week, typically consisting of Monday through Friday. Occasional Saturday coverage of Urgent Care may be needed. There is no hospital rounding. Salary is competitive. Thank you for your interest! For more information about our practice, please visit our website: <https://franklinclinickerrville.com/>

Job Type: Full-time

Pay: \$100,000.00 - \$160,000.00 per year
