

**HOMEOWNERS ASSOCIATION OF CANYON RIDGE**  
**Updated: 2 May 2022**

Every Homeowner must apply for and receive approval from the Architectural Review Committee (ARC) prior to any alteration of existing improvements or installation of new improvements, per the Declaration and/or Covenants, Conditions and Restrictions of the Association. The Committee will respond to your request within 30 days or less of the Committee receiving the required information. *If the ARC committee requires more information, the response time can be extended.*

Name \_\_\_\_\_

Address \_\_\_\_\_ Lot # \_\_\_\_\_

Phone \_\_\_\_\_ Email \_\_\_\_\_

Detailed Description of ALL aspects of the Modification(s) - attach separate page(s) if needed. Provide a free-hand sketch of your project in relationship to your home (includes sheds, hardscapes, patios, retaining walls, etc.)

1. Is a permit required?    Yes        No                    Applied or Obtained?    Yes        No

2. Approximate time for completion of project? \_\_\_\_\_

3. Description of material specifics, color of materials, link to products (includes roofing projects, sheds, patios, etc.)

4. Exterior Painting with New Paint Colors: Each color code (siding, door, trim, etc.) must outlined below along with providing the web link to each color code. A 2'x 2' sample of the siding color must be painted on the home for the ARC prior to submitting your application. All color approvals expire in 6 months from the date of approval. After expiration, the owner must resubmit another request to the ARC.
