## OUR FEBRUARY PROGRAM IS A MOVIE NIGHT

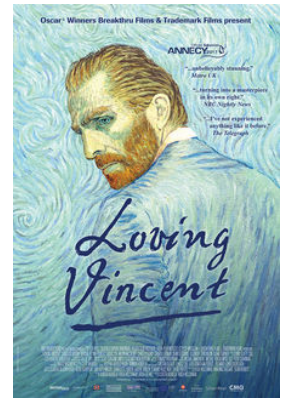

**Bring your own popcorn and a coke! The movie lasts 1 hour and 35 minutes. It is wonderful!**

### *Loving Vincent*

Is a 2017 experimental animated biographical drama film about the life of the painter Vincent van Gogh, and, in particular, about the circumstances of his death. It is the first fully painted animated feature film. The film is a Polish-UK co-production, funded by the Polish Film Institute, and partially through a Kickstarter campaign.

First conceived as a seven-minute short film in 2008, *Loving Vincent* was realized by Dorota Kobiela, a painter herself, after studying the techniques and the artist's story through his letters.

Each of the film's 65,000 frames is an oil painting on canvas, created using the same techniques as Van Gogh by a team of 125 artists drawn from around the globe. The film won Best Animated Feature Film Award at the 30th European Film Awards in Berlin and was nominated for Best Animated Feature at the 90th Academy Awards.

Bonnie Bondurant says we have about fifty members who have renewed their membership. Are you signed up?
