## HILL COUNTRY ATELIER OPEN HOUSE

The atelier movement is becoming increasingly popular as a unique form of art instruction. The atelier – historically an artist's workshop in which apprentices learned from a master artist -- is now available in the Texas Hill Country! This style of mentorship allows students of all abilities to work at their own pace in a small workshop environment. Come and view the student artwork that will be on display, meet the students and the instructor. Light hor d'oeuvres will be served.

**Friday – June 3<sup>rd</sup>**

**5:00pm – 8:00pm**

Die Künstler von Fredericksburg welcomes Marsha M. Reeves, a watercolor artist, to demonstrate her techniques at the monthly meeting June 2<sup>nd</sup>.

Reeves has won numerous awards with her art including the most recent with Guadalupe Watercolor Group. She lives and works in Kerrville, Texas. Although she took painting and drawing

classes in college, her "day job" for many years was as a high school science teacher for a group of very unique individuals with varied and

challenging learning needs. Marsha's interest in science and the natural world continues to this day and oftentimes expresses itself in her watercolor paintings. She prefers to paint in an impressionistic style, and uses watercolor's tendency to run, bloom, and drip as an integral part of her paintings.

Reeves is an active member of the Southern Watercolor Society and the Watercolor Art Society-Houston, and holds Signature Status in the Texas Watercolor Society. She is also an active member of her local Waterloo Watercolor Group and Guadalupe Watercolor Group.

Die Künstler, is supported in part by the PCAA/Octoberfest and the city and county HOT funds.

## STUDENT MEMBERSHIPS IN DK
