Volunteer to help with Oktoberfest, which is a money maker for PCAA (a group which funds part of our budget with a generous grant each year).

It's that time of year!

Fall Show and Sale entry Forms and Prospectus will be available at the September meeting.

The Museum of Western Art in Kerrville has its opening weekend of the Roundup, their annual fundraiser, September 8-9 The show runs through October 28. Contact the museum for tickets to the reception and dinner. Several local artists are participating – Phil Bob Borman, John Austin Hanna, Steve Talley, John Bennett, Virginia Howell, Barbara Mauldin, and Chuck Mauldin.

Our guest artist for our monthly meeting on Thursday, September 7th is **Nancy Bush**, who has graciously agreed to critique DK Artists' work.

Nancy Bush is a native Texan, born in Austin and currently resides in Fredericksburg, Texas. Her pursuit of art has taken her to many beautiful places in the world to study and paint a wide variety of subject matter. "Landscape is my love and is always a challenge, spiritually and emotionally. The variety and vastness of it can sometimes be overwhelming. Simplification is the answer. "Less Is More". The last light of the day or daybreak interests me more than other times of the day.

Bush is a Master Signature Member of both The American Impressionist Society and The American Tonalist Society. She is represented by several Western Art galleries, including InSight Gallery in Fredericksburg.

Artists are to bring one current piece of artwork and small easel or stand, at 6:00pm, to be displayed on tables prior to the start of the meeting at 6:30pm. This will give Bush time to preview each piece. Each artist will then be able to present their art at the easel, first come, first serve. Bush may not get to review all of the art but it will be fun and educational as she provides constructive critiques for improving art skills as DK Artists prepare for the 30Th Anniversary November Art Show & Sale. Come expecting a positive and friendly learning environment!

PLEIN AIR in September

Bring Ice Water! Go out for ice cream when you are finished. This is an open house at the school, and it usually attracts a number of Fredericksburg residents.

Time: **Saturday, September 9, 11am – 4pm**

Location: **Pecan Creek Country School
3410 Pecan Creek Road**

You are allowed to sell art at this venue.

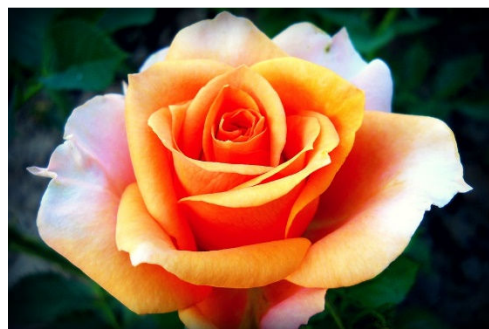

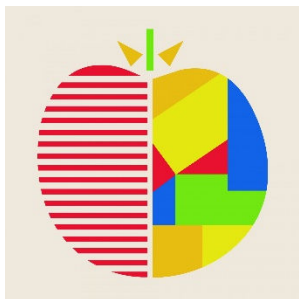

Pecan Creek School is located at [3410 Pecan Creek Road](#) in Gillespie County, in the U.S. state of Texas. It was consolidated with Fredericksburg Independent School District in 1955. The school was added to the National Register of Historic Places listings in Gillespie County, Texas on May 10, 2005. The Bernhard Friedrich house served as the first school in 1899. Land, materials and labor were donated in 1916 to relocate the structure. Originally a one-room schoolhouse, additional rooms and storage were added as needed. Included in the later additions were a stage and dance floor. The local historical club Friends of Gillespie County Country Schools has restored the building, including original desks and other furnishings. The building is now used as a community center.

MONTHLY CRITIQUE DAY

**Tuesday, September 12
at the Golden Hub 1 pm.**

You are invited to bring one or two paintings to the Critique Day. Fellow artists will help you see how to improve your art. It is never meant to be a negative judgement on your endeavor. Rather, it is a fresh pair of eyes seeing adjustments you can make to a work in progress.

ART SHARE

**Tuesday, September 19
1 pm at the Golden Hub.**

Joanne Spencer will teach watercolor roses. Please bring your own paper, watercolors, and brushes.

Hello DK artists! It is not quite time to sign up yet for the Fall art show at the **Fredericksburg Theater Company** (mainly because I will be out of town!) However, please note that we will have our usual space in the lobby, from October 17 to December 19. Please be thinking about a painting that you have framed that shows off fall colors and/or with a possible fall or holiday theme. Four different events will occur at the theater during that date span.

We will not sell unframed art this fall, as an experiment to drive the buyers to framed art. Also, it is an extra burden to keep the unframed paintings safe for such a long span of time. We will not be replacing framed art that is sold, but rather put a "SOLD" sign in its place, thanking the viewers for supporting local artists. This summer that seemed to prompt people to think about purchasing. And it created some excitement.

I will be sending out a "call for artists" later in September, with more details, through Barbara Mauldin's email. Thank you for your cooperation and keep creating your wonderful art.
