**STUDENT SCHOLARSHIP RESPONSIBILITIES**

The focus of DK is on education within the visual arts which is why you will find many of our monthly meetings include art demonstrations and guest speakers – from accomplished painters to gallery owners and marketing experts, the topics of our monthly meetings are designed to inspire and support our member artists.

As part of your student scholarship to DK, you will be encouraged to participate in these monthly meetings (held in the evening – the first Thursday of each month) and will also be required to support DK's annual Fall Art Show and Sale. If you are currently an active artist, you will have the opportunity to display your artwork at one of our monthly meetings.

We are very excited to support students in our community who love the visual arts as much as we do.

***Welcome to Die Kunstler von Fredericksburg!***
