Designing A New Banner for Production

The printable space available is 13" x 60" plus a 2" top margin for the best fit. (Keep it clean, no politics or slander)
There are four options on how to display a personalized, custom banner.

1. Provide us with a 15"x 60" press ready image, minimum 300 pixels per inch
2. Provide us with a design that you'd like to see created.
* We will need any images you'd like us to use as well as fonts and colors
3. Let us create a basic design for you.
* We allow three rounds of edits for this option.
4. Re-use an existing banner from a prior season.

2023-2024 chair sponsorships cost \$500 and will include 8 lift tickets, valid for any ski day
