**Designing Banner for production:**

The space available for designing a banner is 15" x 60"  
 There are three options on how you can get us the banner design that you would like.

1. Provide us with a press ready image that meets the following requirements
  - document size is at least 15" x 60"
  - there are at least 300 pixels per inch.
2. Provide us with a design that you'd like to see created.
  - We'll need any images you'd like us to use as well as fonts and colors.
3. Let us create a basic design for you
  - We can only allow three rounds of edits for this option to allow for printing on time.

**The cost of sponsoring a chair for the 2022-2023 season is \$500. We also provide 10 lift ticket vouchers.**
