WOODS SKIING

Skiling or riding the woods on or off designated trails within the ski areas boundaries is permitted, but beware that these areas are not patrolled by ski patrol, contain unmarked hazards and are neither open nor closed. Helmets and riding in groups is strongly recommended.

TRAIL DESIGNATIONS

Be advised that trails indicated by green circles, blue squares and black diamonds may not be the same as similarly rated trails at other mountains.

RESPONSIBILITY CODE

Always maintain control, and be able to stop or avoid other people and objects.

People ahead of you have the right of way. It is your responsibility to avoid them.

Stopping where you obstruct a trail or are not visible from above is prohibited.

Whenever starting downhill or merging into a trail, look uphill and yield to others.
