Mare Care/Breeding Contract

Owner Name: _____ Phone #: _____

Owner Address: _____

Mare Name: _____ Breed Registry and Reg #: _____

Value of Mare: \$ _____ Foal at side: ☐ Yes ☐ No If yes- Value of Foal: \$ _____

Please select payment option preferred:

☐ A **non-refundable deposit of \$500** if breeding with cooled semen or **\$750** if breeding with frozen semen is due per mare upon arrival at SES if a credit/debit card is provided to be held for services as stated on the standard services agreement.

☐ A **non-refundable deposit of \$1000** is due per mare upon arrival at SES if Owner does not wish to provide a credit/debit card to be held for services as stated on the standard services agreement.

This deposit will be applied to all fees associated with the mare's stay and breeding attempts at SES. Any deposit amount remaining after breeding mare will be applied as a credit to Owner's account at SES.

ALL fees incurred for breeding, care, and board must be paid in full prior to mare leaving SES.

Stallion Breeding Information

Stallion Name: _____ Breed Registry and Reg. #: _____

Contact to Order Semen: _____ Phone #: _____

Collection Days: _____ Notice: _____

All fees for semen, including, but not limited to collection and shipment must be paid in full prior to breeding mare. Fees associated with returning an equitainer to the Stallion Owner are the sole responsibility of the Mare Owner and will be added to his/her bill.

Southern Equine Services (SES) will provide breeding services to the best of industry standards as authorized by Mare Owner to attempt to get mare in foal to above listed stallion. Mare owner acknowledges that mare may or may not settle to stallion listed above and further acknowledges that mare may or may not be able to carry foal to term regardless of assisted reproductive technology employed by Southern Equine Services. Furthermore, Mare Owner agrees to be responsible for and pay all charges incurred at SES in the attempt to get mare in foal to above named stallion (or any stallion Mare Owner decides to attempt to breed to mare) prior to removing mare from SES premises regardless of final outcome of breeding attempts.

Signature of Mare Owner
