Jeffrey –

We have processed your application for The Florida Correctional Officers Association, and are very excited for your office to join the team. Next steps are listed below.

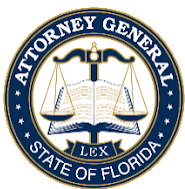

Step 1) Have all staff complete the training at <https://fateht.vidcert.com/register>.

Step 2) Verify with the Florida Office of the Attorney General that all appropriate staff have completed the training and request a membership certificate.

Step 3) Receive membership certificate and send a group picture of staff to Office of the Attorney General.

Step 4) for training tracking purposes please encourage your employees to use their work email addresses when registering for the training. This helps our team track your progress more accurately and efficiently

Florida has a broad public records law. Most written communications, including emails, to and from state officials are public records subject to disclosure upon request

Dear Mr. Hance,

First of all, I pray that this email finds you well.

We are very excited to get started on this program.

Most of our volunteer staff works for the Monroe County Sheriff's Office (MCSO) so we have begun talks with MCSO leadership regarding the possibility of starting our efforts to train 100 percent of correctional officers in the State of Florida with MCSO.

Would you or someone from the Alliance be available to have a quick conference call with members of the MCSO leadership team to discuss the training offered by the Florida Alliance to End Human Trafficking and MCSO agency requirements if any?

Please advise.

Thank you.

Respectfully,

Jeffrey A, Snipes
