12V 18AH SLA BATTERY BOX

Systec's 12V 18Ah Sealed Lead Acid (SLA) Battery Box provides a cost effective solution for remote locations requiring battery power.

The battery box includes a battery, charge controller, and temperature sensor, in a robust plastic enclosure.

Part Number	2219000-00
Weight	
Battery:	
Battery Chemistry	SLA
Battery Voltage	12Vdc
Battery Capacity	18Ah
Operating Temp Range	-40 to 140°F
Charging Temp Range	-4 to 122°F
Recharge Cycles	Up to 650
Charger:	
Max Solar Panel Voltage	20Vdc
Max Solar Panel Current	2A
Max Load Current	15A
Temp Sensor	10K Thermistor
Temp Compensation 12V	-18mV/°C
Temp Compensation 6V	-9mV/°C

Other Accessories

Pole Mount Bracket	2324000-00
30W Solar Panel Kit	2323000-00
