Professional Experience

January 2021 – Present – **Assistant Professor and Adjunct Professor** – Touro University, Vallejo, CA. Promoted to assistant professor for MSN, FNP-C, and DNP programs. Faculty instructor for didactic courses, and advisor for Doctor of Nursing Practice (DNP) students completing their capstone projects. Also responsible for coordinating the clinical experiences of FNP-C and DNP students, and assisting with the same for MSN students. Time split between teaching, service, and scholarly work.

July 2020 – January 2021 – **Clinical Experience Coordinator and Adjunct Professor** – Touro University, Vallejo, CA. Faculty instructor for master's and doctoral didactic courses. Faculty advisor for Doctor of Nursing Practice (DNP) students completing their capstone projects. Also responsible for coordinating the clinical experiences of FNP-C and DNP students.

October 2018 – Present – **Expert Witness** – I specialize in cases related to birth, obstetrics, and women's health. I can assist both plaintiffs and defendants with cases involving the applicable standard of care in my areas of specialty.

June 2015 – December 2019 – **Program Director of Mercy Birthing Center & Faculty Midwife Service** – Mercy Hospital, St Louis, MO. Promoted from Program Manager to Program Director of Mercy Birthing Center. Served as integrative liaison to administrators, physicians, and other Mercy coworkers. Responsible for both long-range and daily operations of Mercy Birthing Center, including strategic planning, financial modeling, budgets, community integration, patient satisfaction, patient and coworker safety, clinical standards of care, simulations and drills, staffing, statistics, and operations. Led the January 2019 launch of a satellite clinic in Weldon Spring. Budgeted 84 births for FY15, and 650 for FY20, representing a 6-year growth curve of 774%. Net revenue during this timeframe was approximately \$24.27M, and net income approximately \$10.58M. Also provided full-scope maternity care. In 2017 I launched Mercy's Faculty Midwife Service. Responsible for all aspects of leadership of this new program as described above. I also provided didactic instruction, clinical supervision, and research project guidance for OBGYN residents and medical students. Laid the groundwork for the development of a maternity clinic in an underserved neighborhood. Initiated and laid the groundwork for a Spring 2020 opening of another satellite clinic in Hampton Village.

July 2014 – June 2015 – **Program Manager of Mercy Birthing Center** – Mercy Hospital, St Louis, MO. Program Manager for the inception of Mercy Birthing Center, one of an elite subset of birthing centers located within an acute care facility. Responsible for establishing daily operations, staffing models and hiring, supply flows, clinical guidelines, community engagement, and facility integration.

July 2010 – October 2013 – **Clinical Assistant Professor & Certified Nurse-Midwife** – Department of Obstetrics & Gynecology, University of Iowa Hospitals & Clinics, Iowa City, IA. Faculty position as a midwife providing full-scope midwifery care, in addition to clinical and didactic teaching of medical students and OB-GYN residents.

2011 – **University of Illinois at Chicago College of Nursing Adjunct Faculty** – Able to precept UIC students for local clinical rotations.

January 2010 - July 2010 – **Labor, Delivery, & Postpartum Nurse** – Staff nurse at Mercy Hospital in Cedar Rapids, IA, providing labor, delivery, and postpartum care.

2007-2008 – **Physicians Clinic of Iowa Registered Nurse** – Employed at the Rheumatology Infusion Center in Cedar Rapids, IA. Job responsibilities included starting IV's, mixing and administering medications, monitoring, patient teaching, and assisting with incorporation of new computer system.

2007 – **Community Health Free Clinic Volunteer Registered Nurse** – Volunteer RN providing medical care to uninsured and under-served individuals in the greater Cedar Rapids community.

2007 – **CPNE Prep! Founder & Instructor** – Launched a training program for Excelsior College Registered Nursing (RN) students studying for their Clinical Performance in Nursing Examination (CPNE). Taught in-person weekend training programs in Iowa and Missouri, and provided follow-up instruction via distance education mechanisms. Students had a 100% pass rate.

2007-2009 – **Professional Labor Support Course Instructor** – Taught classes with PLSC, a program to train doulas to provide physical and emotional support to laboring women. Both on-site and distance instruction involved.
