Presents

Micro Red Dot Sight (MRDS) User Certification NV POST Approved (P3710002)

Main Course Overview - 20 Hours (2 Days)

- This two day course will certify you to use a MRDS on your handgun.
- The goal of this course is to have the student become familiar and confident using their Micro Red Dot Sight (MRDS) on their handgun.

Prerequisite:

 This class is NOT for the beginner shooter. The students taking this class should already have a working knowledge of the handgun system with a basic accuracy proficiency level (level of proficiency is that the student is comfortable in taking accurate shots from the 15 and 25 yard line).

Upon completion of this class the student will be able to:

- 1. State the four Firearm Safety Rules
- 2. Demonstrate how to properly zero the MRDS.
- Acquire their MRDS with proper presentation, consistently.
- 4. Explain the limitations of the MRDS.
- 5. Explain the mechanical offset that occurs while using your MRDS.
- 6. Shoot accurately while using their MRDS.
- Shoot accurately using their "support hand" while using the MRDS
- 8. Shoot accurately with a "compromised" MRDS.
- Demonstrate "low-light" techniques while using the MRDS.
- 10. Show two different handheld flashlight techniques while using the MRDS.
- 11. Complete firearms drills that focus on accuracy.
- 12. Complete reload drills, under time, with the MRDS.
- 13. Pass the MRDS qualification during daylight and low-light/nighttime hours.
