RA Tactics
All Classes/Seminars
Cancellation/Refund Policy

To Whom it May Concern,

It is the Policy of RA Tactics to NOT refund class registration fees upon cancellation. This is due to student registration minimums in order for the class to be put on along with the fees that RA Tactics incurs to teach the class. *If class minimums are not met then registered students WILL receive a full refund. Also, if the class is canceled by RA Tactics then a full refund WILL be provided.*

RA Tactics understands that emergencies can occur and these will be evaluated on a case by case basis. However, if the cancellation occurs, the registered student will be allowed to attend a future class of equal or less value.

Thank you for your attention to this matter.
