

# RA TACTICS TACTICAL TRAINING HIGH RISK VEHICLE STOPS (HRVS)

**DATES AND TIME: APRIL 25, 2023, 0900-1700**

## Main Course Overview - 8 Hours

- This class focuses on the fundamentals of HRVS. The class will focus on using the police vehicle as cover while giving commands and taking a subject into custody. Also, the officer will recognize how to gunfight from around, over, under and through their vehicle.

## Prerequisite

- Students must have a basic understanding of firearms and basic firearm fundamentals. Any safety violations will not be tolerated and students will be removed from the class.
- Students must provide their own handgun and rifle, with a sling.

## Upon Completion of the Class the Student will be able to:

- Demonstrate proper positioning of patrol vehicles on a HRVS.
- Identify the points of cover on a vehicle.
- Demonstrate how to conform to the cover of your vehicle during a HRVS.
- State proper commands to the subjects of the vehicle during a HRVS (as discussed in class).
- Demonstrate the process of taking subjects into custody during a HRVS.
- State where subjects should be taken into custody to maximize safety to officers and subjects.
- Demonstrate how to properly clear the subject's vehicle.

## Ammunition

- 200 Rounds of Handgun
- 200 Rounds of Rifle

## Required Equipment

- Eye Protection
- Hearing Protection
- Duty Belt
- Handgun with 2 magazines (3 preferred)
- Rifle with sling and 2 magazines (3 preferred).
- Knee pads (Optional)
- Ballistic Vest (Optional)
- Ballistic Helmet (Optional)
- Water
- Snacks
- Sun Protection
- Proper range attire (no shorts, no open toe shoes, long sleeves are preferred)

INSTRUCTOR
