

Bill Johnson Chip Carving - 10/2-10/4 \$225

Bill received his training from Wayne Barton who is regarded as the best of the best. He teaches 2-3 times a year at the John Campbell Folk school in NC. His achievements in the competitions are too numerous to mention, but you can see some of his work on this link. <https://www.carolinamountainrefs.com/>. In addition, he is known for creating many ready-to-carve items complete with the patterns in place. Google Bill Johnson Chip Carving to see more examples of his awesome work.
