The Whittler

From the Prez!

REMINDER!! The next club mtg will be Sat, 10 Dec.

We traditionally have used the December meeting to eat, exchange carvings and do 'some' carving. This year will be no exception. The Dec club meeting will be our "Christmas" party and carving exchange.

IF you want to participate in the carving exchange, bring in a small CARVED ornament or small carving of some kind. It does NOT have to be a Christmas theme, but it DOES HAVE to be carved. Do not wrap, pack, or bag it. Carvings will be placed on the table and you will be given a number. The 1st number chosen will pick a carving and chose the next number, and so on until all the carvings are gone. If you have any questions, give me a call.

Along with the CARVING exchange please bring in finger foods to eat. Bring in your soft drinks as well. Coffee and the plates, plastic ware, etc. will be provided by the club. Again, if you have any questions call me.

There will NOT BE a carving demonstration carving in December. However, you can bring your rolling pin to work on. Both Ed and JR will be there to answer questions.

Lynn Bates has a friend who has high quality lumber to sale from an estate: walnut, cherry, and mahogany. Some boards are 10 to 12 feet long. If interested call Lynn at 865-591-3406 for details.
