### PLEASE READ THIS WAIVER CAREFULLY BEFORE SIGNING

Riding, leading and handling of horses are classified as rugged adventure sport activities. There are numerous inherent obvious and not so obvious risks always present despite all safety precautions. Ponies and horses are **never completely safe**, being a prey animal controlled by a predator (human) and if frightened may divert from their training and act according to natural instincts. **Serious injury can and may result from your participation in this activity.**

#### **LIABILITY RELEASE:**

I, \_\_\_\_\_ (**Print Rider's Name**), hereby agree that in consideration of this facility named **Wake Robin Farm** and **Kelly Maxwell** allowing my participation I, the rider, for myself or on behalf of my child, heirs, administrators or assigns, do agree to hold harmless, release and discharge this facility, it's owners, agents, employees, volunteers, offices, owners of the premises and trails, owners and leasers of all horses on premises, affiliated organizations, insurers and others acting on its behalf from **all claims, demands, causes of action and legal liability**, known or unknown, anticipated or unanticipated, due to the operation of the facility in its normal functions and activities. And I further agree not to bring any claims, demand and legal actions against this facility and its associates for any economic and non-economic losses due to bodily injury, property damage or death sustained by me and/or my minor children or legal ward in relation to the premises and operations normally carried out, to included but not be limited to riding, handling, leading or otherwise being near horses owned by or in the care, custody and control of this facility and its employees, whether on or off the premises.

## ALL DAY SUMMER RIDING CAMP 2023

**Wake Robin Farm** takes great pride in creating a memorable equine experience for all of its campers. Each day offers new surprises as campers learn about horsemanship, stable management and equine sports. Themed camp days allow campers to explore a variety of riding disciplines including English equitation, cross country, western, mounted games, musical rides and more. Hands on horsemanship sessions introduce campers to horse care, feeding, grooming and first aid. Campers tap into their creative side with fun + unique horsey crafts and partner up for exciting team building challenges and activities around the farm.

**Camp hours run from 9am - 4pm each day.**

Extended hours are available from 8:30am -4:30pm for an additional fee. Please indicate at time of registration.

### What To Expect

- **Each camp day is divided into fun, educational segments:**

- Formal Riding Lesson

- Horsemanship + Stable Management

- Lunch + Supervised Free Time

- Creative Horsey Crafts

- Rider Fitness + Outdoor Games

- Small Animal Care

- Fun Themed Afternoon Ride (In the even of extreme temperatures or weather conditions: To ensure the safety and wellbeing of campers, horses and staff; afternoon rides may be substituted with alternate camp activities)

- **Of course summer riding camp wouldn't be complete without a Friday Show Day!**

Campers spend the morning polishing and prepping their horses for the afternoon horse show. Parents are invited to come out and watch their campers demonstrate their riding skills and win a ribbon!

**Wake Robin Farm** camp sessions are structured to accommodate riders of all levels. All riders are taught with an emphasis on sound basics of safety, equitation and good horsemanship. For the intermediate/advanced rider, we offer a more extensive program which allows riders to continue developing their riding skills in order to meet higher goals. Campers work in a safe and friendly environment with supervision at all times.

All Campers must wear proper riding equipment and dress appropriately for the weather. Helmets, boots and long pants are mandatory while riding. Boots must cover the ankle and have a small flat heel (1" high). Helmets can be rented for an additional fee. Shorts and running shoes are allowed for non-horse activities. Campers bring their own lunch/snacks and a refillable water bottle.

Wake Robin Farm is a licensed Horse Facility Member with Ontario Equestrian.

Please remember that Wake Robin Farm is a NUT-FREE facility.
