WINTER BREAK CAMP 2019/2020

Wake Robin Farm Winter Break Camp sessions run from 9am to 2:00pm. Arrangements can be made for earlier drop-off (8:30am) and later pickup (2:30pm) for an additional fee. Our Winter Break camp caters to children 6-12 years of age.

Previous riding experience is not required.

The camp sessions are structured to accommodate riders of all levels. Campers will receive one formal riding lesson per day. Beginner riders will be taught, with emphasis on sound basics of safety, equitation and good horsemanship. For the intermediate/advanced rider, we offer a more extensive program which allows riders to continue developing their riding skills in order to meet higher goals. They will work in a safe and friendly environment with supervision at all times. Campers will also participate in crafts, games and horsemanship/stable management activities.

Campers must wear proper riding equipment and dress appropriately for the weather. Helmets, boots and long pants are mandatory while riding. Boots must cover the ankle and have a small flat heel (1" high). Helmets can be rented for \$10.00 per day. Warm footwear, layered clothing and gloves are recommended for both riding and non riding activities. Wake Robin Farm provides hot chocolate during lunch and breaks. Campers should bring their own lunch and snacks, a microwave is available in the lounge for campers to use.

Please remember that Wake Robin Farm is a NUT-FREE facility.

Wake Robin Farm will email additional detailed instructions for campers one week prior to the start of camp. Please contact us if you have a questions or concerns.

Thank you!!
