Special Neighborhood Storm Captain program offered in Lealman:

- Train to help connect the community to emergency officials and to serve as a conduit between community and emergency officials under blue sky and gray sky conditions.
- Assist in organizing Community Town Hall events.
- Help distribute and collect surveys and upload flood-related pictures via CRIS.
- Help with cultivating community members who will upload pictures of flooding to our flood app.

Meetings and training are held on the first Tuesday of each month, 6-7 p.m. This schedule is flexible and is dependent on training/exercise times and volunteer opportunities. Check Facebook and website for updates.
