2026-2027 SCFE Community Grants NOW OPEN!

The Spouses' Club of Fort Eustis is pleased to announce that our SCFE Community Grants committee is now accepting applications for the 2026-2027 funding cycle.

The Spouses' Club of Fort Eustis raises funds year-round to support local and national organizations through its Community Grants Program. Each year the Community Grants Committee prioritizes projects that empower organizations serving active/retired military members, civilians, veterans, and their families on JBLE and in surrounding communities. The SCFE encourages eligible community groups to apply for grants that advance this mission. We welcome applications from registered non-profit organizations, on or off-post, that create meaningful, positive impacts within the community.

The deadline for applications is November 16, 2026; late applications will not be accepted. The application can be located on our website (<https://www.scfeva.com>), located in the Community Giving tab.

GRANT EXCLUSIONS: Grants will **not** be awarded for the following purposes and cannot be used to fund these expenses. This list is not exhaustive; other ineligible expenses may apply.

- **Travel costs**
- **Fundraising events**
- **Food or beverage purchases**
- **Organization operating costs e.g., utilities or building maintenance**
- **Awards (to include plaques or trophies)**
- **Employee salaries or training**

The SCFE reserves the right to clarify all requests upon receipt of an organization's application.

Acceptance of grant funds from the SCFE implies acceptance of these rules. Failure to comply will make the awarded organization ineligible for consideration of future awards.

If you have any questions about the application process, please do not hesitate to contact our SCFE Community Grants Chair, Mrs. Kristin Gammons, at scfewelfare@gmail.com

Thank you for your valuable work in our community. We look forward to receiving your application!
