Shawny Stevens This book was written by an anointed woman of God who shares her wonderful gifts of encouragement and motivation. She also share her life experiences of how she made it through the struggles of life. After reading this book, I now always find something positive in any negative situation.

This is a work of art. It is courageous and pushed me to consider every aspect of my life's decisions. The author may not have intended to give me homework but she did. I and everyone I now come in contact with is the better for it. Waiting for the next book.
