

Fun Square Newsletter

WELCOME NOVEMBER!

October was a wonderful month at Fun Square! Our students had a fantastic time learning all about Autumn and celebrating Halloween. Thank you to all the families who joined us, the Halloween parade and class parties were such a fun celebration! We were also thrilled to welcome back Ms. Mahi to FSQ this month.

As we move into November, we're looking forward to an exciting visit from our local firefighters! They'll be showing our students their fire truck, uniforms, and the special gear they use to stay safe while helping others.

IMPORTANT DATES:

November 6

Visit from Firefighters at 10:00am

November 11

Veteran's Day - Closed

November 27-28

Happy Thanksgiving! - Closed

We truly appreciate all of you being part of our Fun Square community! As we continue working to provide the best care and learning experience for your children, we'd love to hear from you. Your feedback helps us grow and improve and ensures that our families feel supported and happy. Please take a moment to share your thoughts on:

- What you and your child enjoy most about Fun Square
- Any areas where you feel we could improve
- Suggestions or ideas that could make your experience even better

You're always welcome to share your feedback directly with us, but to make it even easier, we'll also be placing a suggestion box near the office. This will allow families to share ideas, comments, or concerns anonymously, if they prefer.

Thank you for trusting us with your little ones and for being such an important part of our Fun Square family!
