

# JNU GLACIER HWY IMPROVEMENTS (LEMON CREEK AREA)

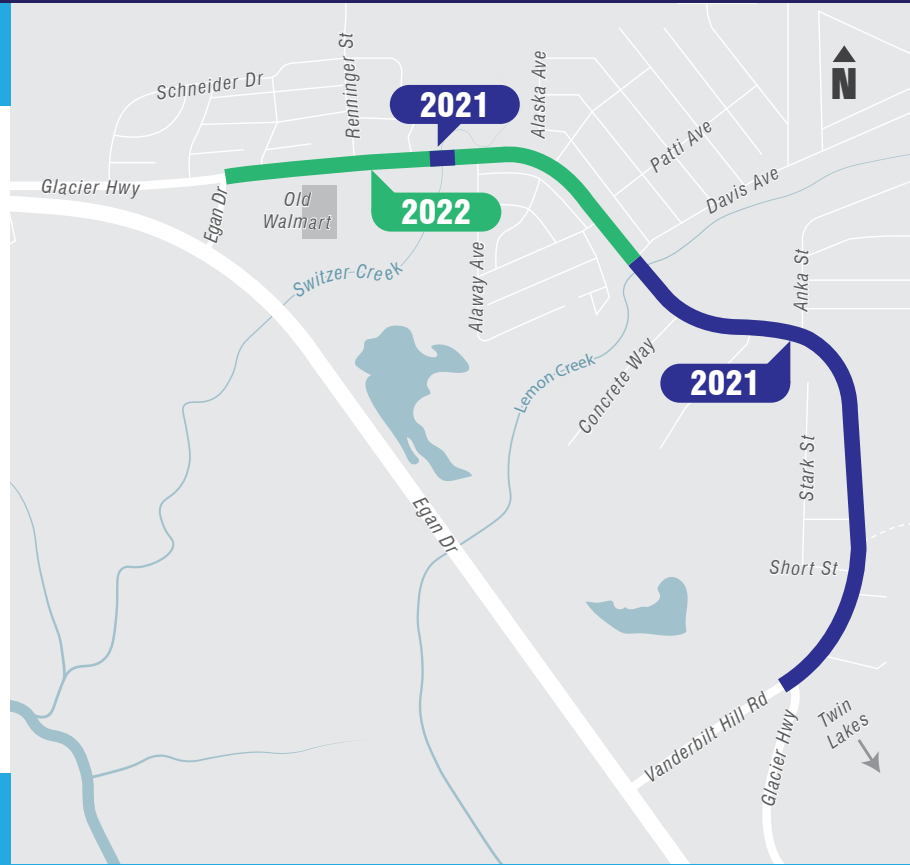

**AUGUST 2021  
CONSTRUCTION**

## PROJECT DESCRIPTION

Throughout August the project work zone will be between Vanderbilt Hill Road and Anka Street. Ditch work will take place for storm drain pipes to be installed along the project corridor. There will be construction on the curbs, sidewalks and on the road. Operations include milling and paving.

Vehicles will see shoulder work and lane shifts. Pedestrians and bicyclists will have sidewalk access through work areas or will be escorted around equipment.

## WORKZONE REMINDERS

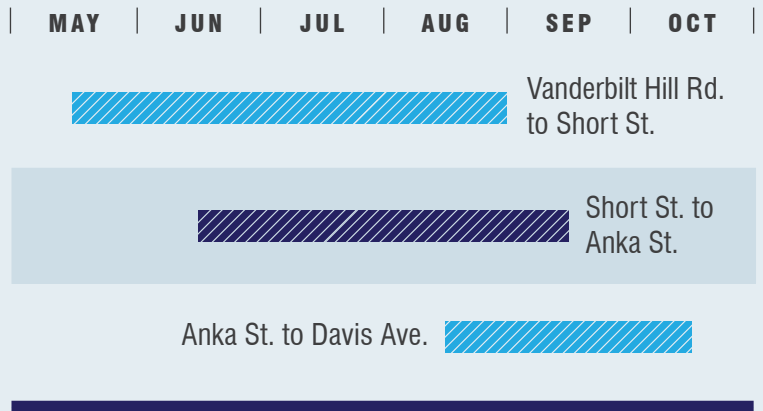

Motorists should expect slight delays in the flow of traffic. Pedestrians and bicyclists should look for sidewalk detours. The construction contractor, Secon, will work to accommodate all road users. Traffic conditions and the construction schedule will be updated regularly on the project website.

**As a reminder:** Please use caution when traveling in work zones. Watch for and follow direction from construction signs and flaggers when present throughout the construction zone.

*Visit the project website for more details.*

## ESTIMATED SCHEDULE

## VIRTUAL PROJECT OFFICE INFORMATION

**Marella Gungob**
