

JNU GLACIER HWY IMPROVEMENTS (LEMON CREEK AREA)

**AUGUST 2022
CONSTRUCTION**

PROJECT DESCRIPTION

Construction continues in the Lemon Creek area. Throughout August, there will be milling, paving, and sidewalk work from the new roundabout to the Lemon Creek bridge. There will also be bridge repairs and concrete work from the bridge to Anka Street. Paving half of the roundabout will occur during the day.

These construction activities will require single-lane traffic and delays at times. Please drive carefully and consider alternate routes when possible. Pedestrians will have alternate access through work zones.

WORKZONE REMINDERS

Motorists should expect slight delays in the flow of traffic. Pedestrians and bicyclists should look for sidewalk detours. The construction contractor, Secon, will work to accommodate all road users. Traffic conditions and the construction schedule will be updated regularly on the project website.

As a reminder: Please use caution when traveling in work zones. Watch for and follow direction from construction signs and flaggers when present throughout the construction zone.

Visit the project website for more details.

PROJECT TIMELINE

- **Vanderbilt Hill Road to Anka Street**
- **Anka Street to Glacier Highway Access Road**
(near the old Walmart)
