

# JNU GLACIER HWY IMPROVEMENTS (LEMON CREEK AREA)

## JULY 2021 CONSTRUCTION

Throughout July the project work zone will be between Vanderbilt Hill Road and Anka Street. Clearing and filling work will continue by the old Walmart.

Vehicles will see shoulder work and lane shifts. Pedestrians and bicyclists will have sidewalk access through work areas or will be escorted around equipment.

Expect slight delays in the flow of traffic and look for sidewalk detours for pedestrians and bicyclists. The construction contractor, Secon, will work to accommodate all road users. Traffic conditions and the construction schedule will be updated regularly on the project website.

**As a reminder:** Please use caution when traveling in work zones. Watch for and follow direction from construction signs and flaggers when present throughout the construction zone.

*Visit the project website for more details.*

ESTIMATED SCHEDULE						DESCRIPTION
MAY	JUN	JUL	AUG	SEP	OCT	
		██████████				Vanderbilt Hill Rd. to Short St.
	▨▨▨▨▨▨					Switzer Creek Culvert Lining
