**Reverend Jose Jean-Pierre
Haiti
Receives 2025
Gusi Peace Prize International**

Dear Rev. Jean-Pierre,

The Gusi Peace Prize Philippine and International Committee have decided to award the Gusi Peace Prize for 2025 to you, Reverend Jose Jean-Pierre, for your untiring effort, working for people's amelioration, to find considerate solutions for people's welfare by promoting peace through Community Development and Humanitarian Service.

You contributed greatly to the lives of people through your lifelong mission of service, transforming impoverished communities through holistic care, education, and faith-based empowerment. As the founder of Lead Haiti and Compassion for Humanity, Inc., your leadership has directly impacted the lives of over 5,000 children and countless families across Haiti and beyond. Through a network of primary, secondary, and technical schools headquartered in Desplantes, Milot, and reaching into the broader departments of Haiti—including the capital Port-au-Prince—you have provided essential education, healthcare, spiritual formation, and vocational training to underserved communities.

In response to epidemics and humanitarian crises, you have organized emergency outreach programs providing medical care, nutrition, spiritual support, and social assistance to thousands. By forging partnerships, such as with New Hope Hospital, you ensured swift and life-saving interventions.

Your mission transcends borders. Lead Haiti also supports disadvantaged children in the Dominican Republic through trusted representatives, and through Compassion for Humanity, Inc., you have led disaster relief, shelter programs, and pastoral care efforts in Key West, Florida, serving hundreds of thousands since 2013. Your current initiative, the *Key West Peace Project*, empowers youth and unites local churches across the U.S. in building a culture of positive impact and nonviolence.

Your tireless work across nations stands as a beacon of hope and compassion, embodying the true essence of peacebuilding through faith, humanitarian service, and community development.

Your presence is eagerly expected, in Manila, Philippines this coming November 23–29, 2025, to receive the distinguished honor, dedicated and integral achievement for your significant contribution in Community Development and Humanitarian Service. Your presence at the night of the event will be highly appreciated by the Gusi Peace Prize Philippine and International Committee, the Filipino people, Asia, and the whole world.

With my very best wishes,

**Honorable Barry S. Gusi
