### STAND ON GOD'S PROMISES

Greetings Partners and Friends:

There are many times in our lives, when we begin to DOUBT that our prayers are being answered. Our expectations begin to fade and we may even become discouraged. Please know that a delay in an answer from God does not necessarily mean a denial. We may be waiting on something tangible to manifest and the wait seems a long time coming. This may be the case in the natural sense, and you have been struggling to wait on that new job, that new relationship, your child to get back on the right track, your marriage to be restored, your financial situation to improve, or whatever the case may be. Our inspirational scripture for this month let's us know that in all of God's promises are yes and in Him amen.

We are reminded of another promise found in 1 John 5:14-15 (NKJV) that says "14 Now this is the confidence that we have in Him, that if we ask anything according to His will, He hears us. 15 And if we know that He hears us, whatever we ask, we know that we have the petitions that we have asked of Him. So, if God said it, we can believe it. God is not a man that He can Lie, nor the son of one that He should repent. When we stand on the WORD of God, we will know in our heart of hearts that the wait time may just be a time to prepare us FOR that promise. It may be difficult waiting because we cannot see God in action. But believe me; that does not mean he is not acting on our behalf.

There are several accounts in the Bible where it seemed like a long time coming, and some instances it was. But, God always kept His promises then and continues to do so TODAY. Let's take a look at Abraham, where God made a covenant and several promises to him. For instance, in Genesis 12:1-4 (NKJV) Now the Lord had said to Abram: "Get out of your country, From your family And from your father's house, To a land that I will show you. 2 I will make you a great nation; I will bless you And make your name great; And you shall be a blessing. 3 I will bless those who bless you, And I will curse him who curses you; And in you all the families of the earth shall be blessed." 4 So Abram departed as the Lord had spoken to him, and Lot went with him. And Abram was seventy-five years old when he departed from Haran.

In connection with these promises found in Genesis 12, let us look at Genesis 17:1-5 that says "1. When Abram was ninety-nine years old, the Lord appeared to Abram and said to him, "I am Almighty God; walk before Me and be blameless. 2 And I will make My covenant between Me and you, and will multiply you exceedingly." 3 Then Abram fell on his face, and God talked with him, saying: 4 "As for Me, behold, My covenant is with you, and you shall be a father of [b] many nations. 5 No longer shall your name be called [c] Abram, but your name shall be [d] Abraham; for I have made you a father of [e] many nations." The Lord also changed Sarai to Sarah. The Lord then promised Abraham and Sarah that in their old age they would have a son, and they were told to name him Isaac. When Isaac was born Abraham was 100 years old and Sarah, who had been barren was 99 years old. It may have taken 25 years for this promise to manifest, but Abraham was a great man of Faith. and it all started with Isaac.

As the story continues, Isaac become the father of two sons; Esau and Jacob. We all know that Jacob stole Esau's birthright, so the blessing followed Jacob, who became the father of 12 sons. His name was later changed to Israel and the sons became the 12 tribes of Israel. Moving forward, Let's focus on son number 11, Joseph. God used Joseph in a mighty way, and Genesis 37:48 tells of the promise that he would one day be a great ruler. He went through a very long process that took over 13 years, but the promises of God manifested for Joseph. But he too was a man of strong faith.

God has a plan for our lives, and they may not be as grand as that of Joseph, but there is a plan and purpose for each of us as guaranteed in Jeremiah 29:11 (NIV) that says “11 For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.” These are not just words written down for people thousands of years ago. God’s promises are still true at any age and at ANY time. His word is forever settled in Heaven and changes not.

We must trust Him even when life doesn’t seem to make sense. There is strong purpose in what we may be going through, but our Heavenly Father has the answer. Therefore, we must be fully persuaded like Abraham that God is able and will do exactly what He said He will do! Perhaps God is trying to correct our course of action. It could be that he using our trials to teach to lean more on Him, trust in His timing or to strengthen our Faith. Like Abraham or Joseph, we may not see the purpose for our tests until much later. But also like Joseph we should remain faithful and trust that God knows what is happening.

God may seem silent but that does not mean that He is not there. He is always at work behind the scenes. on our behalf Just like a building going up on the other side of a wall, we can not always see the progress. Just like the winds blowing, we do not see it, but we know it is there. As Joseph’s life pointed out, even unpleasant things may be a part of God’s plan for our highest GOOD.... For we know according to Romans 8:28 that all things work for the good of those who love Him and are called according to His purpose.

God’s Word is loaded with promises. As a matter of fact, there are over 7,000 promises and what we must remember is that watches over His Word and performs it. A delay is not a denial and please remember that God’s timing is not like our timing. According to 2 Peter 3:8 (NIV) “8 But do not forget this one thing, dear friends: With the Lord a day is like a thousand years, and a thousand years are like a day.” Again, I would like to reiterate that in all of God’s promises are yes and amen, but we must also do our part.

Let us dive into the Word for ourselves to discover the many promises of God. It may have taken thousand of years for Jesus to walk the earth, But again, let’s remember that God’s timing is not our timing. God had the perfect plan in giving us His only begotten son to be the ultimate sacrifice; that we could reap all the benefits of God by accepting His son as our Lord and Savior. As believers, we have total access to His promises and we are now be in relationship with God with a new covenant.

We must activate the promises of God. And We activate these promises by faith, through prayer and being fully convinced that His Word is TRUE. Matthew 7:7 is a promise that tells us to Ask, and it will be given to us, to seek and we will find and to knock and the door will be opened to and for us. There are so many promises found in the Bible from Genesis to Revelations and it is up to us to STAND ON HIS PROMISES.

We truly hope that you have enjoyed the 4th edition of our newsletter. May you and your family continue to be blessed and highly favored by the Lord in all things as you continue to Walk by Faith and Not By Sight.

Yours in Christ,  
Apostle Tiffany L. Robinson
